

WHAT'S HAPPENING AT CSD?

December 2023

**OFFICE HOURS
MONDAY, TUESDAY
AND THURSDAY
3:30-7:00**

You've got Recital questions? We've got answers!

The costumes for our recital are being ordered and we hope you and your dancer are as excited as we are! In order for recital to run smoothly, we try to anticipate and address all questions which may arise. This month, we will focus on costumes and requirements!

- Must my dancer wear tights? If tights are part of your dancer's costume, tights must be worn. Also, in the case of our ladies, please make sure that your dancer does not wear underwear under her tights.
- Can my dancer wear jewelry? No jewelry may be worn on stage or for pictures, other than small stud earrings and/or accessories that have been assigned.
- Will I have to buy new shoes for the recital? All shoes must be the required shoes for the costume. All tap shoes and jazz shoes must be the color required for the class and costume. Make sure shoes are labeled with your dancer's name.
- What is the best way to keep track of my dancer's costume pieces? Make sure your dancer's name written is in all costume pieces, including tights, shoes, etc. Each dancer in your child's class will have the same costume pieces so it is extremely important that everything be marked with your dancer's name.

Next month...what to expect on recital day!

We will continue to answer questions but stay up-to-date on and get all your questions answered on our website on the page specific for the recital at: <https://www.centerstagedanceal.com/recital-homepage.html>
