# HAPPY THANKSGIVING!

### New to Center Stage and/or to dance? Here are some things to expect...

- 1) **Expect your dancer(s) to learn and grow!** Dance is a progressive activity. Your dancer will learn new things every single week. All dancers learn the basics and then the teacher will begin to build upon those basics. We encourage practicing at home as well to further what our students learn.
- 2) **You can drop your dancer off and come back.** Feel free to run errands or go enjoy a cup of coffee. We just ask that you pick your dancer up immediately following class time. Dancers will NOT be permitted to wait outside for their ride.
- 3) **We do not send monthly statements.** Tuition is due on the first and must be paid by the 10th of the month to avoid a late fee of \$15.00 which is automatically applied on the 11th.
- 4) **Tuition and fees can be paid online or by automatic draft.** Upon registration, everyone is set-up in our online system. You should have received an email with your login information. You can make payments online, register for classes, see any class notes from instructors, and any videos and/or music that has been uploaded for our students to practice with!
- 5) **Tuition is not prorated for holiday closings or in case of a dancer's absence.** We don't charge extra for the months that have 5 lessons instead of 4. We base tuition on an average number of weeks **per season/lessons per month.**

We are so glad you are here! Thank you for choosing to dance with us!
