Recital Expense Reminders

Though we have several months before our annual recital, early planning is essential to the success of the production. Here are a few expenses that can be expected during the coming months.

Recital costumes will be charged to accounts by September 15. Tights are included in the cost of each costume. Shoes are not included in the cost.

Recital costumes are \$85.00 plus tax (\$92.65). Each class will have a costume, so if your dancer takes three classes, he/she will have 3 costumes. 4/5 Ballet/Tap is a combo class and will have a combo costume. The cost of the combo costume is \$115.00 plus tax (\$125.35). Costumes for Acro classes are \$75.00 plus tax \$81.75).

Costume balances are due by November 1. No costume will be ordered without full payment. Also, please note that there are absolutely no refunds on costume payments for any reason.

A recital fee of \$35 will be charged to accounts in January, and is due on February 1. This fee will be assessed to each dancer participating in the recital. The recital is optional, but we would love for each of our dancers to participate. If your dancer will not be participating, please notify the front desk.

We will provide information on optional expenses for recital starting in January. These will include recital t-shirts, recital pictures, trophies, recital programs, DVDs of the show, and more.

If you have any questions, please don't hesitate to ask!
