Welcome to the 2023-2024 dance program at **Center Stage Dance**. We want to thank you for choosing to be a part of our family, and we hope you will be pleased with us and your dance experience! Our staff and team are so thrilled to see many familiar faces return to the studio and even more excited to see some new faces join our community. We have created this one-stop handbook to hopefully shed some light on how things will run throughout the year as well as answer a lot of questions you may have before the year begins. While we would love you to take the time to read this information carefully and keep your handbook in a safe place to refer to as you need, don't forget that our friendly office staff are always here to help and will happily answer any questions you may have. Nothing is too big or too small, we promise! Feel free to talk to us about any suggestions or concerns you may have. 😊

2. Studio Mission Statement and Philosophy

It is important to us at Center Stage Dance that all members of our team share our vision, our purpose and the philosophy that encompasses everything we do both in and outside of our classes. This is a vision that is shared and demonstrated by the director, teachers, and staff members at our studio. It is the driving force behind every interaction with our students and their families.

Center Stage Dance is a place where kids of all ages, shapes, and sizes learn to dance and perform. This is a studio where creativity, individuality, and self-expression are encouraged and supported by a community of teachers, students and families who are passionate about performing arts. Our goal is to create a positive and happy experience for all our students.

We strive to: EDUCATE, MOTIVATE, AND INSPIRE! "Inspiring excellence one student at a time!", is not just a tag line but a commitment from all the staff at Center Stage Dance.

We are committed to: creating a safe and loving environment for all dancers to learn, grow, and develop. All our instructors are passionate about dance and LOVE what they do!

We care about: the well-being of each student. We want all our students to be not only the best dancer that they can be, but also the best people that they can be! We want our dancers to not only succeed in dance but also in life!

We love: sharing our passion, creating excitement, and having fun in our CSD community.

We embrace: diversity. We love and accept every student no matter race, religion, ethnicity, or economic status. We believe dance is for everyone! We promote acceptance, love, commitment, and character skills, as well as dance technique. We make it our goal to try to reach as many people as possible to spread the word that, "everyone deserves the chance to experience the art of dance!"

We stand for: teaching your children the value of hard work. With determination and perseverance, they can learn that achieving goals is a possibility.

We listen to: You! Communication is the key to our success!

We prioritize: the individual needs of our students. We understand all dancers are not the same and strive to teach in a manner so that we may connect with each dancer on their level.

We promise to: be a source of encouragement, love and support for each dancer. We believe that dance should be a fun experience that promotes self-expression, confidence, and a healthy lifestyle.

We value: Effort! In dance class, hard work determines the success of the dancer.

We focus on: providing a top-quality dance experience for every student in every part of our dance curriculum. CSD will always strive to provide an education that includes discipline, respect for adults and teachers, team sportsmanship, commitment, and most importantly FUN.

We share: our hearts, our knowledge and our wisdom of all things dance.

We are of course happy to include multiple email addresses per family if you would like your correspondence sent to numerous recipients. Don't forget to add our email address center_stagedance@yahoo.com to your contacts so we don't end up in the Spam folder!

Facebook is a great way for us to keep in touch with a large number of people at once, so we encourage all families to like and follow our CSD business page and to also join our closed Center Stage Dance Studio Current Students and Parents Facebook group. This closed group is monitored to ensure all content is appropriate and relevant. We also have an Instagram account where we post reminders to [@centerstagedanceal](https://www.instagram.com/centerstagedanceal). Please follow us!

We display important information, dates, and studio details on our bulletin board in the lobby! Please have a quick look when dropping off/picking up in case there is anything you may have missed. We are always happy to chat in more detail about communications you may receive from CSD, so if you need clarification, please don't hesitate to call us.

7. Dance programs/ Classes

Dance Classes —Studies have found that dance training helps the student prepare to meet the challenges of their everyday lives such as: creative problem solving, discipline, concentration, respect, and relationship with peers and classmates. We believe that dance should be a fun experience that promotes self-expression, confidence, and a healthy lifestyle. Your children can gain these powerful tools as they learn proper dance technique in a fun-filled dance environment at Center Stage Dance Studio.

Classes Offered

Pointe - the part of classical ballet technique, in which a ballet dancer supports all body weight on the tips of fully extended feet. Pointe work is performed while wearing pointe shoes. Must be enrolled in ballet classes and approved for pointe shoes.

Ballet - The base of all forms of dance, Ballet technique consists of stylized and controlled movements and positions, which develops ultimate strength and flexibility. Ballet is beneficial at any age and is a safe form of exercise and building strength. We strongly encourage all our students enrolled in more than one form of dance to study ballet, as the technique is found in every dance class.

Pre-Ballet (Creative Movement) - Focused on furthering the development of loco motor skills, (skipping, leaping, galloping, jumping, etc.), and introducing ballet-based dance fundamentals, this class is perfect for the young mover. Students are introduced to dance elements, such as level, direction, and shape. They practice self-control as they follow directions, take turns, and practice following and being the leader. This is a 30-minute class.

Tap - Tap dancing combines dance traditions from Europe and Africa. It is a dance of strong rhythms and relies almost totally on footwork. The feet become musical instruments marking out complex rhythms with the heel and the toe. In This class the student will develop a strong sense of music, timing and discipline.

Clogging - a type of folk dance in which the dancer's footwear is used musically by striking the heel, the toe, or both against a floor or each other to create audible percussive rhythms, usually to the downbeat with the heel keeping the rhythm.

Jazz - is a combination of a variety of styles of dance: ballet, African dance, Musical Theater, Modern, and social dances. Jazz dance has a firm technique and strength base, allowing for individualized movement. Jazz is a great form of dance for any age, developing strength and flexibility. Students of jazz are strongly encouraged to study ballet simultaneously for the best possible jazz dance experience.

Contemporary - Contemporary is a style that focuses on unconventional movement. It does not have fixed movement, instead it is a search of new forms and dynamics. Oppositional movement, alignment, raw emotion, and systematic breathing is its main focus. Students are strongly encouraged to take ballet and jazz simultaneously with this class in order to get the best experience.

Lyrical - Lyrical is an adaptation of ballet, modern and jazz expressing feeling with a focus on body lines, balance, and sustained extensions. Higher-level class will include more contemporary skills and floorwork. Students of lyrical are strongly encouraged

to study ballet and Jazz simultaneously for the best possible lyrical dance experience.

Hip-Hop - Hip-Hop is a fast-paced and exciting class that introduces students to intricate popular movements to hip-hop beats and lyrics. The class may include breaking, popping, and locking. Hip-Hop is a great aerobic workout that develops strength and flexibility. Hip-Hop is constantly changing, and new styles are regularly incorporated into classes.

Acrobatics - Acrobatic movements are combined with dance steps as students learn the fundamentals of movement and timing with tumbling. This class focuses on floor gymnastic tricks, flexibility, and upper-body strength. The classes will include forward rolls, cartwheels, and advances to aerials and back tucks. These skills transfer easily to such activities as cheerleading, dance, and gymnastics. Acro Dance is an art form that incorporates the fluid movements of dance with the exciting tricks from acrobatics. It is “gymnastics for dancers”, where students develop specific strength, flexibility, and technique, to learn how to execute acrobatic tricks, to then be used in dance choreography. The training students receive in their acro dance classes helps to reinforce the technique in all other dance genres. Adding acro dance is next-level training that will develop a specific skill set and creates well-rounded and versatile dancers.

Stretch, Turns, Leaps and Jumps Class - Technique class that focuses on flexibility and technique of Turns, Leaps, and Jumps used in all forms of dance. The student must take Ballet and Jazz for the best experience.

Musical Theater - Musical theater: a fun-filled class for your dancer to learn performance, characterization, and the basics of musical theater technique. Our dancers will also focus on incorporating elements of ballet, jazz and modern. Dancers will learn Broadway jazz basics and gain an appreciation for musical theater history.

Competitive Teams: Center Stage is the home of a performance/ competitive group named Center Stage Dance Stars. It is the belief of Center Stage that strong commitment to self and others leads to the advancement of dance techniques and self-esteem in dancers. Through traveling, competing, and experiencing different genres of dance, we believe that all company members and their families will be presented with opportunities to grow as dancers, friends, and families. Company members are chosen by auditions. Breakdown of expectations, costs, and requirements are in our CSDC Handbook. Please refer to this handbook for detailed information.

Aspiring Stars - Competition group for beginners or those that want the experience of competing without as much of a monetary or time commitment. Ages 4 & up can audition.

Stars Elite Teams – Stars Elite represent CSD’s premier, most advanced levels and more serious performing/competing teams consisting of leveled dancers who train an average of 4 or more hours per week – demonstrating skilled technique, advanced movement styles and unparalleled performance quality. These dancers attend competitions and conventions on the regional and national level and are expected to be well-rounded, poised and extremely focused dancers while adhering to the intense demands (monetary & time) expected of ELITES. It is important to understand before pursuing a spot that there is an investment required. Ages 6 & up

10. Recitals/ Concerts/ Performances: At the end of the season, Center Stage Dance holds an annual concert (recital) to celebrate and showcase all of our dancers. Our dancers work throughout the year to learn new skills and grow as artists. We use this time to allow them to 'show off' what they have learned and to be a STAR for a day! Performance opportunities, such as the recital, also help dancers grow in their confidence and performing abilities. We strongly recommend that each student participate in these opportunities as much as possible.

- Recital is generally held at the end of May. (2024 Date – May 18th)
- Costume orders will be placed for only those costumes that have been paid for at the time of ordering, **NO EXCEPTIONS**. There will be no costume ordered without a payment, any payments received after that time are considered late orders and will have single order fees of \$30 applied.
 - Dancers will be measured before ordering costumes. Costumes are ordered based on size charts given by the costume companies. Some costumes may be slightly larger than your child's actual size; therefore, some alterations may be needed.
 - **Shoes are not included in the costume price.**
 - All costume deposits are non-refundable, **NO EXCEPTIONS**.
- Students will purchase one costume for each subject they are enrolled in at the cost of \$85 plus tax (\$92.65) each. Combo classes (4/5 ballet/ tap) will have a combo costume. The cost will be \$120 plus taxes (\$130.80).
Tights are included
 - (Company costumes may be slightly higher due to having more elaborate costumes.)
- In order to participate we must order costumes early. All costume payments will be due by October 1st (August 31st for company members) and will automatically be billed to the card on file.
- All students will be charged a \$35 recital fee that assists in the financial undertaking that Center Stage receives when producing a production of this magnitude.
 - The recital fee will be withdrawn from your account or is due in February.
- Recital tickets go on sale at the beginning of April.
- All accounts must be paid in full in order to participate in the recital.
- Optional recital related items are – T-shirts, DVD, pictures, ads and programs. All of these items go on sale around February.

Center Stage Dance takes great pride in trying to make the show as successful and as stress free as possible. We update our website with all of the important show information, and you should refer to our website frequently for up to date information. <https://www.centerstagedanceal.com/recital-homepage.html>

- **Community Performances** - Periodically, our dancers are asked to perform out in the community at festivals, pageants, and events. When these invitations are presented, we will make sure to spread the word to see who would

like to participate. We try to participate in a few a year. We also will participate in the City of Enterprise Christmas Parade. We encourage our dancers to participate in as many of these as they can to gain confidence and also showcase their skills.

11. Fall Schedule

Scheduling our classes is a huge task and we take all care to ensure that children are given classes at an age-appropriate time without long hours that may lead to fatigue or disrupt home /school life. Please see our fall schedule and contact us if you have any questions.

12. Dress Codes

At CSD, we believe that by wearing appropriate class wear it gives students a sense of belonging to our family as well as creating an identity for our studio in the greater community.

Dress Codes also:

- Encourage discipline
- Help students resist peer pressure to buy stylish clothes for class
- Help identify non-students in the studio
- Diminish economic and social barriers between students
- Increase a sense of belonging and school pride
- Improve attendance

All students should abide by the studio dress code.

1. For Ladies:

- For Ballet, all girls must wear tights (preferably pink), pink ballet shoes, a solid-colored leotard (black or pink is preferred), and hair should be neatly secured in a bun (no ponytails). **ONLY** tights, leotard and ballet shoes should be worn for ballet.
- All other dance classes **REQUIRE** leotards and tights or jazz pants/ booty shorts or sports bra and shorts. Clothes should not be too loose.
- Acrobatics students should wear a leotard or clothing to cover their stomach when turning flips.
- Hair must be pulled back away from the face for all classes.
- No dangling jewelry should be worn.
- Jeans or street wear are not acceptable.
- Tan Tap shoes for tap (certain classes are black, please ask before purchasing), black clogging shoes, tan jazz shoes, foot paws for contemporary. (Unless otherwise requested by teacher)

2. For Gentlemen:

- All dance classes require jazz or sweatpants and a shirt that is form fitting.
- Loose, baggy clothing is not acceptable.
- Jeans or street wear are not acceptable.

3. Dance Attire:

- The leotards, tights, shoes, and buns associated with ballet and dance all serve multiple practical and aesthetic purposes and ensure that the dancer's hair will not be in her line of vision and impede her while spotting turns. It also creates a line by making the neck look longer. Leotards give the teacher a better view of the dancer's muscles and body, while offering coverage while raising legs high in the air. In other words, there is a reason that we require certain types of dancewear so be sure that your child attends class in appropriate dance attire, shoes, and hair.

4. Students should arrive dressed according to the dress code and with all necessary hair accessories and shoes in the dance bag. Please ensure all parts of your child's dance apparel and shoes are clearly labeled - individual shoes, socks, underpants...you'll be amazed at the amount of lost property we generate!

- All shoes should have the child's name written in them.
- The staff assumes no responsibility for lost, stolen, or misplaced items.
- We do try to keep a lost and found box in case we do find items, so we recommend that you check the box for lost items. Lost and found items will be emptied on the 1st of each month.

13. Fee Structure

Monthly Tuition: Tuition is billed monthly. It is posted on the 1st of each month and due on the 10th.

- Monthly tuition is calculated on an average number of classes per month. Tuition is the same if the studio is closed for a holiday or if your child misses a lesson; therefore, we do not charge extra when there are five lessons in a month. The tuition rate is for the entire season (August - May).
- No refunds or prorations are given if a student misses a class for any reason.
- If you sign up for Auto Pay or “Monthly Withdrawal” of any kind: tuition, costumes, and administrative fees, will be automatically drafted from your card on file.
- Regardless of your status as a “self-paid” or monthly withdrawal account, a credit card **MUST** be saved to your account.
- Monthly Withdrawal: Monthly tuition and fees will be charged to the credit card on file on or around the 1st of each month.
- If your account is not set up as a monthly withdrawal and tuition has not been paid by the 10th, your card on file will be charged for the full amount owed, as well as a late fee on the 11th of the month.
- Self-paid accounts: you may log into your parent portal to pay or pay with cash or check in the office.
- If not already prepaid, all recital costume balances will be withdrawn from the card on file on 10/10.

14. Attendance

Your child's attendance in class is very important to their peers and our teaching staff. As a member of the team, it is a commitment for you to ensure your child attends their classes on time each week and attends all lessons planned for them. Not only do absences impact the concert routines we create, it also impacts the social and confidence-building principals we work hard to foster in each age group.

If you know ahead of time that your child will be absent due to holidays/vacations, commitments or school trips, please let us know ahead of time so the class impact is minimal. If your child is sick, we ask that you inform our admin team as soon as you can so they can let the teachers know and preparations can be made to catch up on any missed lessons.

- Please notify the studio if you will be absent from classes.
 - If a student is absent more than 3 times for any class he/she takes between January and May, that student may be unable to participate in that dance in the recital. It is very hard to learn choreography and to perform at your best level, if you are not in class. **Payments toward recital will not be refunded.**

Unfortunately we are unable to accommodate make-up sessions for students who miss class, but will make every endeavour to schedule a catch-up class in the unlikely event that CSD needs to cancel a lesson.

15. Social media

The Center Stage Dance Social Media Policy refers to all social networking sites, video/photo sharing sites, blogs, micro-blogs, wikis, podcasts, forums, instant messaging and geo-spatial tagging (for example, Facebook check-ins). See below for our regulations regarding Social Media and feel free to contact our office staff if you have any questions.

- Please remember that your anonymity on Social Media is never guaranteed and to exercise particular caution when posts, images or videos identify children in your care.
- Remain mindful that your behavior on Social Media remains in keeping with Center Stage Dance code of conduct as outlined in chapter 6 of this handbook.
- Any comments or posts perceived to be obscene, defamatory, threatening, harassing, discriminatory or hateful towards Center Stage Dance faculty/staff, students or families may subject the owner to disciplinary or legal action.
- Should you wish to engage on Social Media while identifying as a studio volunteer or employee, you may only do so with integrity, respect, and adhere to privacy and confidentiality policy.
- Any content revealing or referring to sensitive studio information is not allowed to be shared online.
- Intellectual property laws (for example, costume design and choreography) must be observed by all studio patrons when posting online.
- While affiliated with our studio, (for example, images of your child in Center Stage Dance uniform) we will not tolerate any posts that are racially, sexually, physically or religiously offensive.
- All matters pertaining directly to the studio - whether it be fees, scheduling, placements or performance opportunities - may not be communicated via Social Media. We have an open door policy and encourage all communication, complaints and feedback to be communicated to the principal directly.
- We discourage parents / students and teachers from becoming 'friends' or 'followers' on Social Media, unless there is an existing relationship. We consider all studio members to be family and as such feel the obligation to respect and monitor personal boundaries.
- Families found to be engaging in 'hidden' or 'private' groups formed for the specific purpose of discussing studio matters will be encouraged to join our closed Facebook group for public discussion and warned against discussing Studio matters in their private online groups.
- Photos or Videos taken from performances or rehearsals may NOT be posted online.
