## A Few Reminders During These Unusual Times

We are so excited to have our dancers back in the studio and we are looking forward to a great year! Due to the ongoing COVID-19 situation however, we would like to remind everyone that the studio has safety protocols in place for the protection of all of our dancers, parents and staff:

~The doors open for dancers at 3:55. We ask that dancers remain outside with their parents until their teacher comes to the door. Dancers will sanitize their hands and the teacher will escort them to the classroom. When class is over, teachers will bring dancers back to the front door. We ask that parents **not** enter the studio when dropping off or picking up their dancers unless they need to conduct business in the office.

~The office is open 3:30—7:00. Per Governor Ivey's order, we ask that masks be worn.

~No food or drink is available in the studio during this time. Dancers should bring a personal water/drink bottle clearly labeled with their name. Dancers will need to take their bottles home with them after class each week. Any water/drink bottles left in the studio will be discarded after each class.

~The dressing room is closed, as are all common areas in the studio. Bathrooms are the exception and are open for dancers.

~Please make sure your dancer's name is on all shoes, bags, and dance supplies.

We are so excited that you are here! Thank you for dancing with us!
