Recital Newsletter
Let's Party – May 18th, 2024

Dear Parents,

Thank you so much for choosing to further your child's dance abilities at Center Stage this year. We are proud to showcase everything our students have learned in our 2024 production, "Let's Party". This handout has very important information regarding the recital that we would like you to be aware of. For the recital to run smoothly, please read carefully over this and keep referencing it later. Once again, it has been an honor to inspire excellence in your child this year through the art of dance.

REHEARSAL:

- Recital rehearsal will be held at Enterprise Performing Arts Center. The date will be May 17th. The schedule is in this packet on a separate page for you to reference.
- Rehearsal is A **DRESS** rehearsal. Costumes are required and make-up is encouraged.
- Rehearsal is a **CLOSED** rehearsal, and only parents can watch.
- We generally practice in the order of the show so everyone can get a 'feel' for how the show will run.

RECITAL:

- "Let's Party" will be held on **Saturday, May 18th at 2:00 p.m.** at the Enterprise High School Performing Arts Center. The address is 1801 Boll Weevil Circle, Enterprise, Alabama. The performing arts center is attached to Enterprise High School. **PLEASE DO NOT BE LATE!**
- Please take students to the side of the auditorium to the dressing rooms between **1:30-1:45** p.m. for the show. **Please have them there NO LATER than 1:45 p.m.** Make sure you check your child in with the backstage director.
- Dancers and mothers are the only people allowed backstage in the dressing rooms. Absolutely no men or boys are in the dressing rooms. All male students should be checked in and dropped off at the check-in area on the side of the stage.
- Only one parent should go backstage to drop their child/children off, **NOT** the entire family. The parent will receive a wristband with the child's name on it, in the color of the group. The parent must have a wristband to return backstage to check out the child. No one will be allowed to pick up a child without a wristband. Once you drop your child off you must go back to the front of the building (lobby) to enter the auditorium. No other family members are allowed backstage.
- Use the restroom before getting into your costume!
 - Remember the last day of spring session is May 24th. **May tuition must be paid in full before the recital. All outstanding balances will be due before recital, or your child will not be allowed to participate in the recital.**
 - No food or drinks in dressing rooms except water. Students should bring books, games, cards or something to do if they have a lot of time between their dances. No paints, glue, etc... Or anything else that might get on costumes!
 - Dancers will not be allowed to leave the backstage area. Security will not allow any dancer to leave the recital until AFTER the show is over. This is to ensure your child's safety.
 - *Curtain Call for the dancers, company members, and staff will take place after the last dance number.* This is when the students and staff will be recognized for all their hard work and dedication throughout the year. We recognize the students with a 'gift' so please be sure to stay until the end.
 - Please refrain from walking around during dances. It is distracting to the dancers on stage and others in the audience. If you need to exit or enter the audience during the recital, **PLEASE** do so **between dances – not during!**
 - No flash photography allowed! Flash photography is dangerous to the dancers on stage and can blind them!
 - No **VIDEOTAPING ALLOWED!** This is due to privacy reasons and licensing. Choreography and music are licensed and copyrighted. We have to pay license fees for music and therefore, we do NOT allow videotaping.
 - No phones allowed during Recital! You **MAY** take photographs or video tape during the rehearsal or after recital only. For everyone's privacy, no video or photos allowed in any of the dressing rooms!

Reminders:

READY TO PERFORM – Please have students dressed for their first dance with their hair and make-up complete. Make-up is a necessity due to the harsh stage lighting. All our girl dancers need make-up to not be washed out on stage. We recommend base/powder, blush, black eyeliner, black mascara, lipstick, and eyeshadow (neutral colors are fine).

WORKERS/ HELPERS – We will have workers backstage to make sure that all students get the help they need to change costumes. If you need to come backstage, be sure to have your armband on where it can be seen. You will not be allowed into a dressing room without one!

HAIR – Unless otherwise instructed, hair should be slicked back into a tight bun on the back of the head (not on top). Bun should be secured with a HAIRNET in the color of the dancer’s hair. If your headpiece is a hat, you will be told if modifications to the placement of the bun must be made – usually a low bun or ponytail. Unless otherwise instructed, **NO BANGS PERMITTED** since bangs obscure the face and we want to see your face. Spray, Gel or Mousse all loose ends. No dangles or curly ends permitted. If you need clips to secure your hair, they **MUST BE THE COLOR OF YOUR HAIR**. Almost all hair lengths can get into a bun – practice. **EVERY BUN** must have a HAIRNET!

ABSOLUTELY NO UNDERWEAR – No underwear should be worn under your tights or costumes. Your tights will act like underwear. If you need to wear a bra, make sure it is **BEIGE** and that the bra straps cannot be seen when wearing the costume.

JEWELRY – No jewelry may be worn on stage or for pictures other than a) small stud earrings in the ears and/or b) accessories that have been assigned. This is a safety measure as well as for uniformity. No necklaces, dangling earrings, rings, anklets, etc. can be worn. Leave any valuables at home. We are not responsible for any lost jewelry.

NO NAIL POLISH, VISIBLE TATTOOS OR PIERCINGS – Clear nail polish or no nail polish at all. No white tips. If you wear colored polish you will need to remove it before pictures and before performance. All tattoos and body piercings must be covered or removed.

NAME IN ALL COSTUME PIECES – Put your student’s last name and first name in all costume pieces, including tights, shoes, gloves, sashes, headpieces, cuffs, etc. We have no extra costume pieces! Keep up with your costume pieces! Every student in the class has the same costume – how will you know which costume or accessory belongs to you? Bring all costumes, accessories, tights, shoes, safety pins, hair necessities, and make-up backstage.

SHOES – All ballet shoes must have the **RIBBONS TAPED IN**. All tap shoes must be the buckle kind (age 4) or be double knotted (older classes) or be the slip-on version. All jazz shoes must have the color required for the class and costume. Label shoes with your child’s name. Be sure to wipe off all your shoes so that they are ready! Magic erasers work wonders on most shoes. Also, be sure to have the correct color shoes that are listed as part of your costume on our accessory list. If you need to purchase new shoes, do not wait until the last minute! Never **EVER** wear dance shoes outside!

RECITAL OBLIGATIONS – Studio policy is that each student in each routine **must be uniform in costume, shoes, and hair**. We provide all accessories needed – tights, headpieces, bows, gloves, etc. to ensure uniformity. We expect **every** student to follow our instructions – no nail polish, no dangling earrings, no jewelry, tattoos, or underwear. If you are a new student, please be aware that we are strict regarding our policy. We run a top-shelf production and you can be part of something very special, but everyone must cooperate.

Parents – your child works very hard on their dance technique and routines during the year, and we know you will do your part to prepare them for the big day. Again, we run a **professional show** including scenery, props, and lighting. Please be sure to ask any questions that you may have and plan ahead.

Check out: (To ensure the safety of our students, please follow these procedures)

Parents need to check-out their child in the dressing rooms after the recital curtain call. For the safety of your children, we are NOT going to allow them to go off the front of the stage or without being checked out by a teacher.

1. We will close the curtains for safety.
2. All students will then be escorted back to the dressing rooms.
3. Please wait in the lobby for a teacher/ staff member to escort you to the backstage area to complete check-outs. A staff member will come to the lobby with a colored card to match your armbands, at that time, you will be allowed to go to the dressing room to sign your child out.
4. After you check your child out in the dressing room, you will be allowed to go back on stage for pictures or out front in the lobby.
5. All dressing rooms will be color coded this year. Your armband will match the dressing room. The parent’s (only 1 parent per child) armband will be the following colors:
 - a. Preballet Classes – Hot Pink
 - b. 4/5 Ballet/ Tap/ Jazz Classes – Neon Blue
 - c. 6-7 Classes – Lime Green
 - d. 8-9 Classes - Red
 - e. Teen – Yellow
 - f. Gentlemen – Orange
 - g. Company - Gold

Please Remember

It is an honor and privilege to perform in the Center Stage Dance Studio annual production; not an expected result of paying tuition. We are happy that you've chosen to be part of something so special and will work extremely hard to make it a wonderful experience!

Dance recital helpful hints:

The dance recital is the end-of-the season production that showcases all our dancers' hard work for the entire season. There will be costumes, glitter, lights, hairspray, make-up, and lots of excitement!!

When is the rehearsal?

The rehearsal will be on the Friday before the dance recital. It will be held at the performing arts center.

How long is the rehearsal?

We schedule certain times for your child's dances. You just need to be there 15 minutes before your start time and must stay until your child's dance/dances have been practiced on stage. After your child has practiced, you can leave. You are not required to stay. We attempt to keep these short so you and your child can go home and get some rest before the big day; but you are invited to stay and watch any other dances that you want.

Is it a dress rehearsal?

Yes, we have a dress rehearsal for the kids. You need to bring all your costumes and shoes for this day. Rehearsal is also closed meaning that only students and parents are allowed in the auditorium. Parents are allowed to take video and pictures (no flash photography) during dress rehearsal.

What time do I need to arrive on recital day?

You will need to have your child at the venue between **1:30 p.m. and 1:45 p.m.** for the show. You will enter at the side door and check your child in backstage.

What are armband things?

We hand out armbands to the person that checks in the child for safety reasons. Your child's name will be on the armband. When coming backstage, our workers are looking for the armbands to make sure that we don't have strange people trying to come in. We want all our students to be safe. Therefore, we ask that only the person that will pick up the child after the show check them in and go backstage to help change them (if needed). No dads or brothers are allowed in the dressing rooms, and we ask you to **not** take the whole family backstage to the dressing rooms because they get very crowded very quickly! All armbands are color coded by group and dressing room. A staff member will come to the lobby after the show and take groups back to proceed with check-out by colors. Please wait for our staff members to meet you in the lobby. Please do not take children off the stage or from the backstage area without being checked out.

How long does the recital generally last?

The recital will move **FAST!** We work extremely hard to make it go as smooth as possible for everyone. The recital typically lasts around 2 to 2.5 hours. There is no down time. We have music sets in between dances and intermission music and video.

Do I need to stay for the whole recital?

We ask everyone to stay for the entire show. At the end of the show, we do a final curtain call for all of our dancers. We bring them on stage to recognize them for all their hard work. They take a final bow, and they are given a medal from the studio for a keepsake to commemorate the event.

Do the students have to stay backstage for the whole show?

Yes, we require all students to stay backstage during the show. No students will be allowed to leave the backstage area until AFTER the show has ended.

Will you have entertainment for the small kids?

We try to bring a few little coloring activities and things for the children to enjoy; but you are welcome to bring something as well.

Can I come backstage to help my child change?

ABSOLUTELY!!! But we will have people to help backstage, so you don't have to come backstage! Just make sure that you have your armband on if you do. Also be courteous to the dancers on stage and the audience members and try to refrain from walking around while a dance is on stage. Also, if you want to volunteer to be a backstage helper, we would love your help.

Does my dancer need to wear make-up on stage?

Yes, we do recommend that the dancers wear some make-up on stage, especially blush, mascara, and some lipstick. The lights are very bright and can completely wash out the dancers, so the dancer's faces are hard to see.

Who will watch the children in the dressing rooms?

We will have workers plus Center Stage Staff backstage to help watch the kids in the dressing rooms.

Can we take pictures at the recital?

ABSOLUTELY!! You can take pictures but for safety reasons you cannot use flash photography. The lights are already incredibly bright on stage and a sudden flash can blind a dancer. Please don't use the flash on your camera. If you get any good shots, please tag us! Our Facebook page is Center Stage Dance Studio or Instagram @centerstagedanceal.

Can we record the recital?

No, unfortunately you cannot. Due to privacy and licensing reasons, we don't allow the recital to be recorded. The choreography and music are all licensed and we must pay licensing fees. We do, however, offer high-quality DVDs through a vendor if you would like one. <https://phpavsuperstore.com/shop/>
Password is OrderMeNow

Can we buy programs, DVDs, and tickets the day of recital?

ABSOLUTELY! These things are already on sale, but they will be available even on the day of recital but in limited quantities. The only things that have a deadline are the recital t-shirts, ads, programs, and STARS. But, if you want to be guaranteed these things, place your order early.

Is seating reserved?

No, all the seats are general admission seats. We will open the doors 30 minutes before the show begins.

Can my child wear earrings?

Absolutely! We request just small studs though and nothing that dangles.

Can I paint their fingernails?

Only clear fingernail polish or none is allowed.

Do they have to wear tights?

If it is part of their costume, then yes, they need to wear them. Make sure that with our little ladies that we are careful to not let them wear underwear under their costumes or that underwear is not showing.

How do I style my child's hair?

Be sure to ask your child's class teacher for their preference. But the general rule of thumb is pulled back away from the face in a bun or ponytail.

Do I need to label my child's shoes and costumes?

YES! Be sure to wipe your child's shoes off and put their name in the arch of their shoe or on a tag somewhere so that they can be identified. Also, label the tag of your child's costumes and costume PARTS (extra skirts, etc.). Please bring them the garment bag the costume came in and/ or bring your child's dance bag to help keep up with their things but be sure that everything is labeled.

After the show is over when and where do we pick up my child?

You will meet us in the lobby. We will have staff meet you in the lobby with color cards of each group. If your armband matches the card, you will then proceed to the dressing room to check out your child. You can then come and take pictures on stage or in the lobby. Just make sure that one of our staff members checks your child out before your child leaves the dressing room area.

Where do we park?

You will park in the school's parking lot closest to the Performing Arts Center. If you enter from Main Street, you will enter on the side of the school closest to the Performing Arts Center.

Are there dance classes this summer?

Yes! We have 2 sessions available that will be 3 weeks (starts June 10th– June 28th & July 8th – July 26th), and we also have camps available!! You can also purchase a class card and 'drop-in' to classes as you want!

How do I sign-up for next season?

We are already signing up now for our next season that begins in August! Sign-up as soon as possible to reserve your spot!

We truly hope that you have enjoyed your experience with us and that your child continues with us this summer and next season. We have truly enjoyed being able to teach your child!! Thank you so much for the opportunity.
