

Please consider becoming a Center Stage Dance Sponsor

We aim to provide financial assistance to children in need and help our students that compete.

Thank you for considering being a sponsor of Center Stage Dance Studio! ALL proceeds donated to Center Stage Dance through our sponsorship program will go towards the tuition and fees of students in need of financial assistance. Depending on the level of sponsorship, each sponsor will be marketed on our social media for one year starting the week we receive your sponsorship form and payment.

You may specify a student you would like to sponsor, and the proceeds of your sponsorship will go towards their tuition and fees. Otherwise, your donation will go into our scholarship fund to be given out to selected scholarship applicants.
